## WESTERY LIGHT &amp; POWER CO.

Expected by Town Council to Remove Trees Killed by Gas—Ashaway-Westerly Railway Declares Semi-Annual Dividend—Aeronaut Tillinghast Visits Westery—Railway Stations Burglarized.

The town council of Westery met Monday. President William L. Clarke presided and these councilmen were present: Maurice W. Flynn, C. Clarence Maxson, Albert H. Langworthy, Horace C. Burdick, Wayland Saunders and William Culley.

The petition of William G. Geary for license to conduct a shooting gallery was granted.

The report of Chief of Police Bransford, on street lights, on public entertainments and on general police work for the month of December, was read and ordered filed. During the month there were four arrests for intoxication, four successful liquor raids and four store closures found open.

The final decree of the superior court in the case of Courtland P. Chapman against the town of Westery, received from the clerk of the court, was read. It orders the town to pay Mr. Chapman \$300 damages and costs of \$23.30. An order on the town treasurer for that amount was authorized. This is the trespass feature of the case that was an outgrowth of the Watch Hill road improvement. There has been appeal taken from the verdict in the case, valued at \$300. There is a balance of \$129.60 in the Watch Hill appropriation, or \$194.50 less than the sum ordered paid Mr. Chapman, and this excess must be taken from the miscellaneous fund.

Bills from Dr. J. H. Morgan for the examination of school children for supposed contagious diseases were referred to the school committee.

Lewis Stanton, health officer, reported nineteen contagious diseases during December.

H. Fred Carr and Ralph E. Steadman, employees of the Ashaway & Westerly trolley road, were appointed special constables.

Town Solicitor Agard reported in the John E. Davis matter, by agreement with counsel for Mr. Davis, that action be deferred until next meeting.

Mr. Davis seeks to have the town council authorize the removal of an accumulation of sand and mud from in front of his wharf property, which he alleges is caused by the flow of surface water from the streets, which carries with it what results in the obstruction.

Town Solicitor Agard reported in regard to the rights of Westery Light and Power company to lay gas pipes in the streets. In November, 1908, such power was given to H. J. Hawley, who was about to operate a gas plant in Westery, and this right was transferred to his predecessors and eventually to the present company.

Town Solicitor Agard and Three Western Revere were appointed a committee to arrange with the Westery Light and Power company.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
